PROGRAMME £2.00

Welcome to Stourport Regatta and Sprint

The race committee would like to personally thank all competitors, supporters, and spectators for attending our Regatta. It is a privilege to be able to organise such a popular event. Each year we count down the days to being back hosting exciting races, not to mention seeing the boat club lawn, the bridge and riverbanks brimming with energy!

The history of Stourport Boat Club goes back over 145 years. The first Town Regatta was held in the late 1800's. To this day, the two-day Regatta is held annually.

We have a fantastic team of members who dedicate hours of their time to ensure the correct planning and success of our Regatta. From the groundskeeping and ensuring the course is set up, to the effort that goes into the catering and hospitality; the club would like to thank every member who has contributed to the organisation of our event - your tireless endeavours do not go unnoticed!

The Regatta is the clubs' busiest weekend of the year, and without the help from members marshalling the course, helping on the landing stage, providing river safety in safety launches, working in the sponsors area, tea tent/BBQ/bar, car parking marshals, ensuring the results are updated in real time (the list goes on!), we wouldn't be able to host such a distinguished event. If you have any questions or queries over the Regatta weekend, please be assured that the team are here to help - please see the list of the team leads below who will be your main points of contact.

To our attending umpires, thank you as always for taking the time to make sure we run a fair event.

To all sponsors and patrons - thank you so much for supporting us this year – we couldn't run such an extensive event without your generosity!

The club has also welcomed a new trophy this year, kindly donated by the family of Jim Perry. Jim used to row at Stourport Boat Club and was part of the senior fours crew which won the Boddington Challenge Vase, and then went on to coach at the club. Jim always had an interest in fours and was particularly good at bringing complete novices on to becoming good rowers and had a particularly innovative approach. It is therefore fitting that the brand-new Jim Perry Memorial Trophy will be awarded to the winners of the Low CRI Op 4+ event/the lowest banded Op 4+ event.

Here's to an exciting weekend of racing!
